Fertuna 2019 MESSIHO Merlot (Maremma Toscana)

The nose is savory with aromas of dried cranberries, dried cherries, blood orange, hibiscus and hot tar. The cherries and cranberries meet fresh Mission figs and pomegranates on the palate, plus orange jam and a chili pepper heat. Acid flows easily past sleek tannins.

POINTS

Fertuna 2023 Vermentino (Maremma)

The nose has a gently textured feel, from aromas of pear, lime zest, white flowers and toasted salted almond. The palate is full of fruit, as green apples, white peaches and grapefruit join a riper pear note, before crackling acid lifts a bitter, unifying almond skin finish.
